SWING

CHOIR

During the Summer of '76 the Weiser High School Band took a trip to Disneyland. As many of you know the motto throughout the preparation for the trip and during the trip was "Disneyland or Bust". During the seven days of the trip, the band went to Marineland, Disenyland, (Where they marched in the parade "America on Parade"), N.B.C. Studio, and Magic Mountain (where they marched in a parade). Even though it was a very hectic trip, everyone had a good time harassing the chaperones and watching the expressions of people who were not expecting us.

The Weiser High School Marching Band had a very successful year in 1976. Besides all of the serious morning and evening practices, there was also provided the half-time performances at the home football games and played at most of the out-of-town football games. On October 21st the Band went to Boise and participated in the Marching Festival. They received 2nd place in marching and 2nd place in Inspection. To earn the inspection trophy, they had to compete with all of the bands, losing first place to Borah High School.

Tanya,

Well, well here I am a big SENIOR & I don't exactly know what to think I thought I'd sign here next to my 2 favorite teachers. Don't ever forget all the fun times we've had together. Like up at Starkey that night we spent there. I'll never forget the creek I fell in. You're a really sweet girl who will surely go far in life. BEST of luck with you know who!

I hope we become good friends this year. I can see that already. Always remember I'll be there for you. Always remember I'll be there for you. Always remember I'll be there for you. Remember I'll be there for you. Remember I'll be there for you.

Hi Tahhhnee
